

Welcome to our new Patient Portal!

Dermatology and Laser Center of Charleston offers a safe, convenient way to communicate and engage in your healthcare through the Patient Portal. For your convenience, we offer an upgraded web based portal.

The portal will allow access to your appointments, online patient medical history form, reminders, medications, online bill payment, lab results and appointment requests. All current patients and new patients are encouraged to register for our new patient portal.

If you have not received an email to create your new account, please contact the office at 843-556-8886.

Providing us with your email address, will result in you receiving an e-mail from the office which includes a link to the portal.

You should have also been provided with a Practice ID and a 9-digit security code by our office that will be required to set up your account.

Following are instructions for creating your account:

- Open the email from us with the subject **“Dermatology & Laser Center of Charleston Patient Log-In Information.”**
- Click on the link provided to begin registering:

Let's create your account!

Please provide the e-mail address and password you wish to use to create your account, and give us some information about you to link you to your care provider.

*All fields are required to register.

I have read and understand the [Terms and Conditions](#)

- Your password of your choice uses at least 6 alphanumeric characters, one uppercase letter, and a special character (*-%\$).
- Enter the new password again in the “Confirm Password” Field
- The next screen will require you to enter your Practice ID:
PMEMXR
- Next you will check the box that asks if your provider gave you a code.
- Enter the 9-digit-security code in the Field and click Continue.
- Your browser will be redirected to the Portal’s Dashboard .

Congratulations, you are ready to create your patient portal account. Please save your login information for future access to the Patient Portal:
